

VCSIP HACKATHON 2025

14th November, 2025

INNOVATING FOR CLIMATE-RESILIENT & INCLUSIVE LAND ADMINISTRATION

Participants will design practical prototypes using geospatial and digital tools to tackle land and climate challenges.

Eligibility Criteria

- ◆ Must be a Young Surveyor (*under 35 years old or within 10 years of graduation*).
- ◆ Teams of 3 members maximum with diverse skills (*GIS, coding, design, policy*).
- ◆ Prior knowledge of issues relating to land governance, tenure security, or climate resilience is an advantage.
- ◆ All code, datasets, and outputs must be shared on the agreed collaboration platform (e.g., GitHub or FIG YSN workspace).
