

# THE HORN OF AFRICA AND SAHEL KNOWLEDGE SHARE FAIR

Promoting innovation to build resilience against climate shocks

21 – 23 JULY 2020

ENTEBBE, UGANDA

## Call for proposals

The Intergovernmental Authority on Development (IGAD), in partnership with the Permanent Interstate Committee for Drought Control in the Sahel (CILSS) and the Food and Agriculture Organization of the United Nations (FAO), is organizing ***The Horn of Africa and Sahel Knowledge Share Fair: Promoting innovation to build resilience against climate shocks***. The event will take place from **21 to 23 July 2020** in Entebbe, Uganda.

This Share Fair is designed to give space for resilience practitioners working along the Humanitarian-Peace-Development (HDP) nexus to discuss their experiences, share their knowledge and network as a way to further promote localization, partnerships, and up-scalable and replicable practices.

Please submit a proposal by **27 April** for the chance to present your good practice at the Share Fair.

Access the full call for proposals by clicking on this [link](#). This document gives you a preview of the form questions and requirements.

Selected proposals will be announced on **29 May**.
